Director of Athletics - Richard W. Freeman

Welcome to Gryphon Football 2003. I would like to thank the players, coaches, parents, support personnel and fans for combining efforts as we pursue "Healthier Bodies and Stronger Minds". While the experience of student-athletics offers different things to different people, the common threads of fun and excitement are at the base of university

football. We invite you to join the Gryphons at home, on the road, or by browsing our website at: www.uoguelph.ca/athletics.

Welcome to Athletics at the University of Guelph

The University has a history of traditions from its three founding colleges, the Ontario Agricultural College, the Ontario Veterinary College and the MacDonald Institute, that were carried through to the establishment of the comprehensive University in 1964, and exist today. Throughout our history, we have

strongly promoted learning both inside and outside the classroom and encouraged students to take care of their minds and their bodies. Athletic achievements at Guelph are further testament to our proud past.

Gryphon Alumni and Friends continue to be dynamic and extremely supportive friends of Gryphon Athletics. That support is always an incentive to the athletes representing Guelph.

Carry on that tradition and share in the excitement and fun of the upcoming competitive season.

Best wishes for the coming year.

Alastair Summerlee

Meet the Head Coach

Tom Arnott joined the Gryphons' staff in February 2001 as Interim Head Coach after an 11-year career at York University that saw him receive OUA Coach of the Year honours on two occasions. In December 2001, Tom was awarded the full-time Head Coaching position. Tom played for the Gryphons from 1973-77, and was named the Wildman Trophy winner as the school's Outstanding Graduating Senior Player in 1976. He graduated with a Bachelor of Science (Human Kinetics) - Honours degree. "Tom brings extensive experience in Recruiting, Marketing, Alumni Relations and Program development to the Gryphon Football program. He has tremendous pride for his alma mater, is a skilled teacher, proven leader and a compassionate human being whose commitment to providing a high level student-athlete experience is evident", states Athletic Director, Richard Freeman.

Tom Arnott

Football Gryphons 2003 Prospectus

After posting an OUA record of 2-7 in 2002, the Gryphons return 48 players to the 2003 squad. Lost to graduation are OUA First Team All-Stars and captains, Mike Palmer and Mike Hradil. Others critical players lost include Norm Nasser, Jonathan Bohnert, Scott Hamilton and Chris Demaiter.

The makeup of the 2003 team will be a little odd, in that projected starters will be either seniors or sophomores which will allow the Gryphons to strive for continuity and hopefully the elimination of errors that were caused by youth and inexperience last season. According to Head Coach, Tom Arnott, "last year's price of youth moves into a more disciplined, tighter and more physical contingent in 2003".

Offensively, there will be two significant changes: Mike Drake's move to wide receiver and the welcome addition of Windsor transfer, Kevin Adam, into the quarterback role. Chris Poynter will also add punch to the offense as he returns after a year's hiatus due to a broken leg. The offensive line will be led by potential league All-Stars, Mike Dougherty and Anthony Mason, who both participated in the CIS East-West Bowl this past spring. Despite losing their game breaking threat in Mike Palmer to the Toronto Argonauts, the receiving corps has depth in that position and expects to see a big year from sophomore, Shane Bryans.

Defensively, Arnott states, "we hope to improve our susceptibility to the big play

which was last year's 'Achilles heel'". The secondary is much improved with Andrew Oosterhuis entering his third season and the emergence of several first year players in the off-season including Trevor Small and Mike Sullivan. As for the linebacking corps, it will be completely new, with battles for starting positions shaping up between sophomores John Paul Cavalluzzo, Andrew Van KerreBroeck and Chris Decker, and newcomers Nick Lazar, Alex Marshall and Tag Russell. The defensive line returns two starters in Dan Noble and Steven Mansell. Ryan Kooistra will assume kicking duties.

The Gryphs are looking forward to putting a more consistent team on the field that will be physically more prepared to handle the opposition.

Meet the Coaching Staff

Brian Cluff

Defensive Coordinator

Brian returns to the Gryphons for his fourteenth season as an assistant coach. He will be counted on to bring his many years of coaching experience and leadership to guide the young

Gryphon defense. Highlights of his playing career at Guelph from 1982-86 include a starting role on the defense that led the Gryphons to the 1984 Vanier Cup title as well as starting in 50 games over a period of 5 years. In 1986, Cluff was drafted to the Toronto Argonauts of the CFL. Coaching highlights include the Yates Cup titles in 1992 and 1996. Brian is a certified Level III member of the National Coaching Certification Program and is involved in a number of camps and conducts clinics during the off-season.

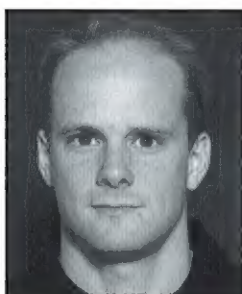

Dave Dagg

Receivers

Dave joins the Gryphons as wide receiver coach after spending the last eight seasons with the University of Waterloo. He is a native of Sarnia who attended Wilfrid Laurier University. Upon

graduation, Dave taught high school in Pembroke and coached in the Ottawa Valley. During this time, he continued to assist Laurier as a guest coach at their training camps. He and his wife, Joanne, moved back to Guelph in the early 1990's. Dave taught Geography at Centennial High School while coaching the Warriors. This welcome addition brings extensive OUA coaching experience to the Gryphon receivers. He is an excellent teacher and his enthusiasm is contagious.

Rob Kitching

Quarterbacks

Rob returns to the coaching ranks for his fourth season. He is a patient guide for the quarterbacks who rely on him to refine their throwing skills and decision-making abilities. Rob is a Bachelor

of Commerce graduate who played for the Gryphons from 1991-94 and was quarterback of the 1992 Yates Cup championship team.

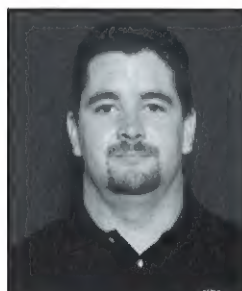

Bill Brown

Defensive Backs

Bill enters his fifth season with the Gryphons as defensive back coach. He brings a very positive outlook and great pride to the defensive secondary. Bill's list of accolades

includes the University of Guelph's 1994 Rookie of the Year, a member of the 1996 Yates Cup Championship team, an OUA All-Star and OUA interception leader. He also holds the record for the longest interception for a touchdown with 81 yards that same year. In 1997, he received the university's Chairman Award. In his graduating year, Brown was Guelph's defensive player of the year.

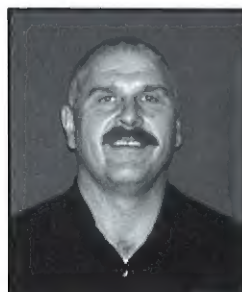

Shawn Hagarty

Defensive Line

Shawn, a Bachelor of Science in Engineering Honours graduate of the University of Guelph and a professional Engineer with Polycon Industries in Guelph, resumes his

role coaching the defensive line for his fourth consecutive season with the Gryphons. He is a strong fundamental technician. In addition, Shawn is a skilled manager of the video systems. This former two-time OUA All-Star and CIAU All-Canadian was also a member of the 1992 Yates Cup Championship team.

John Malinosky

Offensive Line

John is a former CFL veteran. Over his 10-year career in the CFL, he had stints with Calgary, Winnipeg, Toronto and Hamilton. In 1983 and 1986, he captured the Grey Cup with the Toronto Argonauts

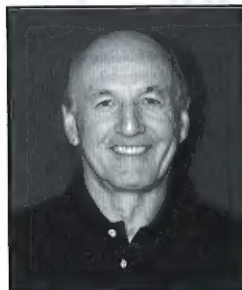

and the Hamilton Tiger-Cats respectively. In his second season with the Gryphons, John moves from tight end coach to the offensive line. He brings a great sense of fun to the field and locker room. His positive approach to coaching is respected by all and the program has benefitted from the knowledge he has gained from his lengthy CFL career.

Brad Rion

Defensive Backs

Brad is a Guelph native who attended Centennial High School and came up through the Guelph minor system. He attended York University before transferring to Guelph where he played with the Gryphons for one season. His coaching experience has been at the OVFL level as an assistant coach and for the past two seasons, as head coach with the Guelph Junior Varsity Bears. He has demonstrated that he is one of the up and coming young coaches in football.

Reg Valentinuzzi

Offensive Line

Reg, a retired high school teacher and former Physical Education department head at Centennial Secondary School in Guelph, will coach the offensive line. The longest serving member of the staff is now entering his 25th season with the Gryphons. He has the ability to get the most out of the talent he has to work with. Throughout this time period, Reg has produced numerous OUA All-Stars and CIAU All-Canadians and was a member of the 1984 Vanier Cup coaching staff under John Musselman.

Steve Viveiros

Linebackers

Steve returns to the Gryphons for a second season on the defensive side of the ball. He brings a great passion for both the game and its players to the field along with a fiery competitive spirit that he passes on to the Gryphon linebackers. He played football at McMaster from 1990-95 and graduated with an Honours B.A. in Geography. Upon graduation, he began his coaching career at the high school level. Currently, a Grade 8 teacher at Gateway Drive Public School in Guelph, Steve joins the Gryphons as a running back coach.

Jeff Webster

Running Backs

Jeff enters his fourth season with the Gryphons and will work with the running backs for the first time. His dedication to the team and the hard work that he does as a recruiter are paying great dividends to the Gryphon program. After his playing days, Webster spent 5 seasons coaching high school and minor football in Toronto, working on both the offensive and defensive sides of the ball. Jeff was also the offensive coordinator of Guelph's Junior Ontario Varsity Football League team.

Wildman

Trophy Winners

The Wildman Trophy is presented to a senior or graduating football player who has exemplified to the highest degree the traits of sportsmanship, leadership, gentlemanly conduct and who has maintained good scholarship while at the University of Guelph.

Norm Nasser and Jonathan Bohnert were co-winners of the 68th Wildman Trophy.

While pursuing a degree in Veterinary Medicine, Norm (left) was also successful on the field. He was a 2-time League All-Star and Second Team All-Canadian at the kicker position.

Jonathan (right) was a leader both on and off the field. "He always put team first." A former team captain, Jonathan moved from his OUA All-Star and Second Team All-Canadian position at wide receiver to help fill the holes in other areas.

Gryphons

PATHWAY TO EXCELLENCE

Mike Palmer

Mike O'Shea

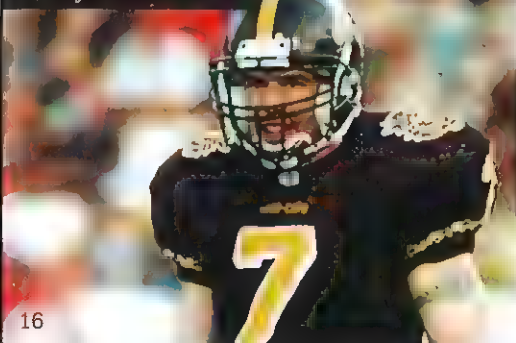

Charles Assmann

Sean Spender

Kyle Walters

The experience of playing Football at the University of Guelph opens many doors following graduation. For some of the Gryphons there may be opportunities in professional football. Since 1925, 94 Gryphons have been drafted or have signed as free agents in the CFL, NFL, WLAFL, EFL and AFL. Since their 1992 Yates Cup victory, the Gryphons have led the OUA in the number of players drafted and have led the CIS in number of first round picks.

The five former Gryphons featured on the front cover currently play in the CFL. They are: Chuck Assmann, Mike O'Shea, Mike Palmer, Sean Spender and Kyle Walters.

Michael O'Shea is a 6'3", 223 lbs. linebacker who was acquired by the Edmonton Eskimos in the first round (4th overall) in the 1993 CFL College Draft. He has played in 164 games including stints with the Toronto Argonauts and the Hamilton Tiger-Cats. In 1993, he was the CFL's Most Outstanding Rookie. He has accumulated 820 tackles and 16 interception returns for 182 yards. He was an East Division All-Star in 1994, 97, 99 and 2000 and was a North Division All-Star in 1995.

Sean Spender, a 6'2", 225 lbs. linebacker, was acquired by the Argonauts in the 6th round (48th overall) in the 2002 CFL Canadian College Draft. On June 27, 2002 he signed with Montreal and is now playing for the Edmonton Eskimos.

Chuck Assmann, a 6'2", 221 lbs. linebacker, was selected in the 4th round (32nd overall) by the Hamilton Tiger-Cats in the 1995 CFL Canadian College Draft. Having played for Toronto and Edmonton, Chuck has accumulated 79 tackles in 58 games played. He is currently with the Calgary Stampeders.

Kyle Walters, a 5'10", 175 lbs. defensive back, was drafted by the Hamilton Tiger-Cats in the 2nd round (10th overall) in the 1996 draft. Throughout his 6 seasons with Hamilton, he has acquired 100 tackles and 2 interception returns for 23 yards and played in the 1998 and 1999 Grey Cup.

Michael Palmer, a 5'10", 187 lbs. wide receiver, was acquired by the Toronto Argonauts in the 2003 College Draft.

Each of these five athletes earned Ontario All-Star honours as well as All-Canadian status while competing in Canadian Intercollegiate Sport. In addition to those successes: Kyle Walters was the team captain of the 1996 Yates Cup Championship team; Sean Spender was recipient of the 2001 Wildman Trophy which is awarded to a senior or graduating football player who has exemplified to the highest degree the traits of sportsmanship, leadership, gentlemanly conduct and who has maintained good scholarship while at the University of Guelph.

Note: The following is as complete and accurate as we have been able to make it. The material has been gathered from the Libranni and Athletics Banquet Programs. Although the criteria has changed over the years, since 1970, an athlete must participate in 75% of an intercollegiate football season. Corrections and additions will be made if proper documentation is provided.
